Yellowed leaves
Floating in the air.
Bare stalks stand
Erect, holding next
Year's pussy willows
To the sky
Thus, there is no
Beginning . . .

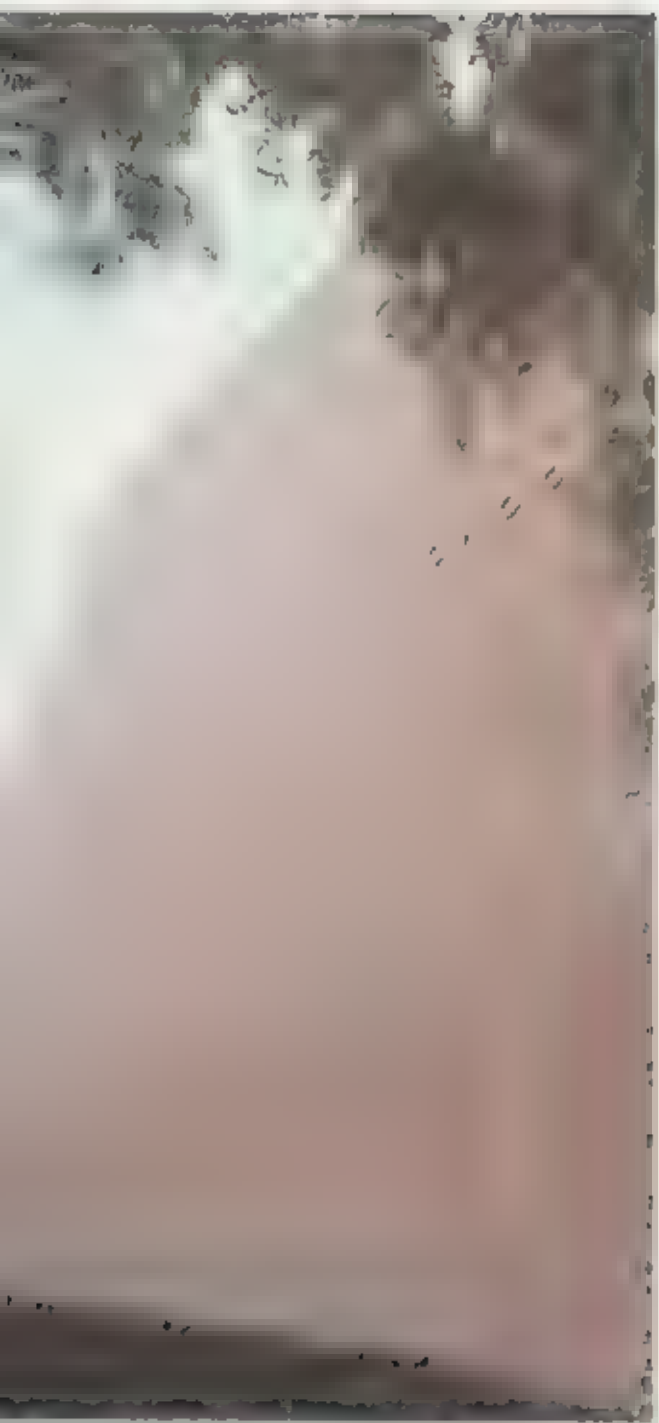

. . . and no ending . . .
Only a slow blending —
Day into night
Fall into Winter into Spring.
Beauty —
To the eye that beholds it
Is the one consistency.

— Gwen Frostic

We are but a moment's
sunlight —

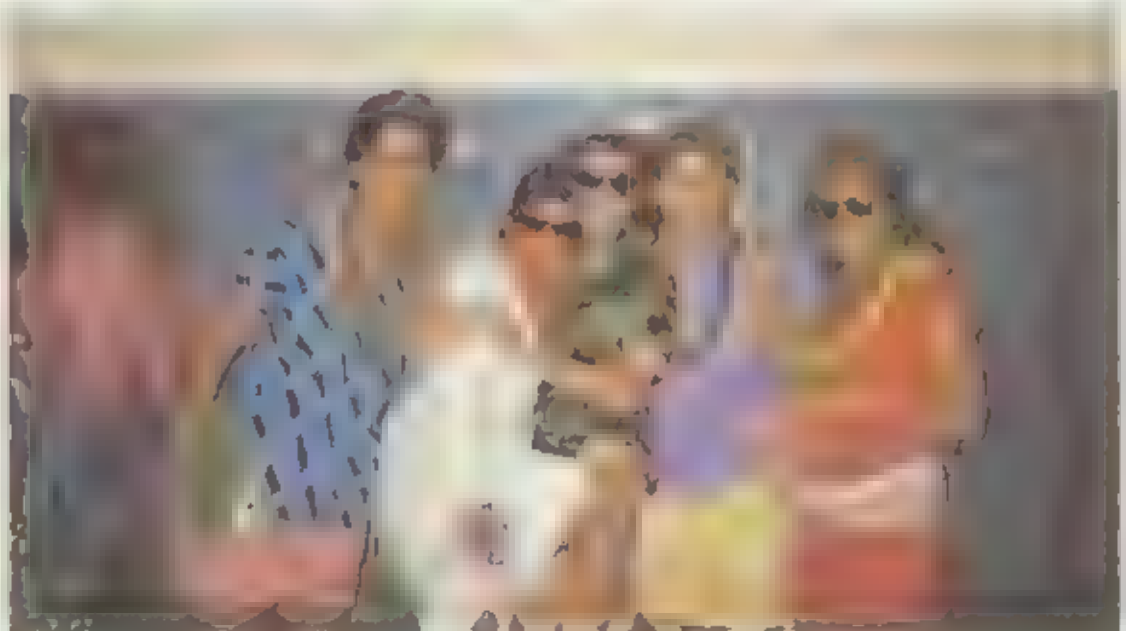

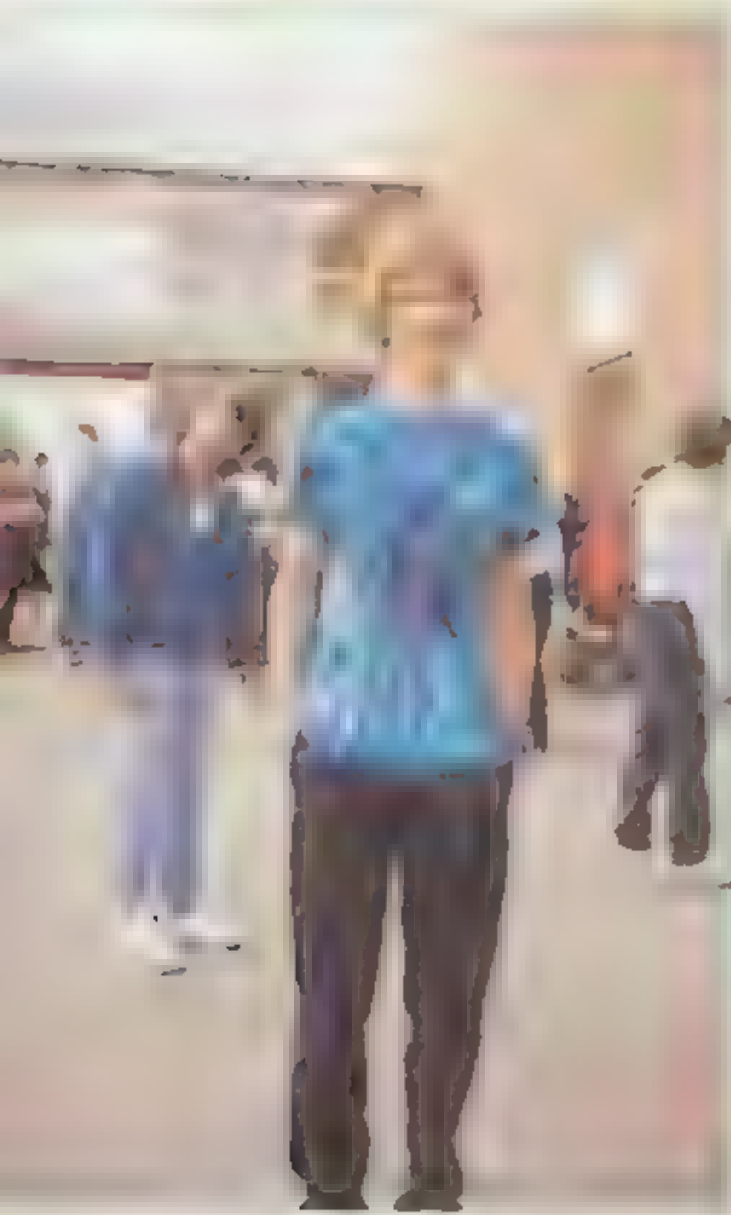

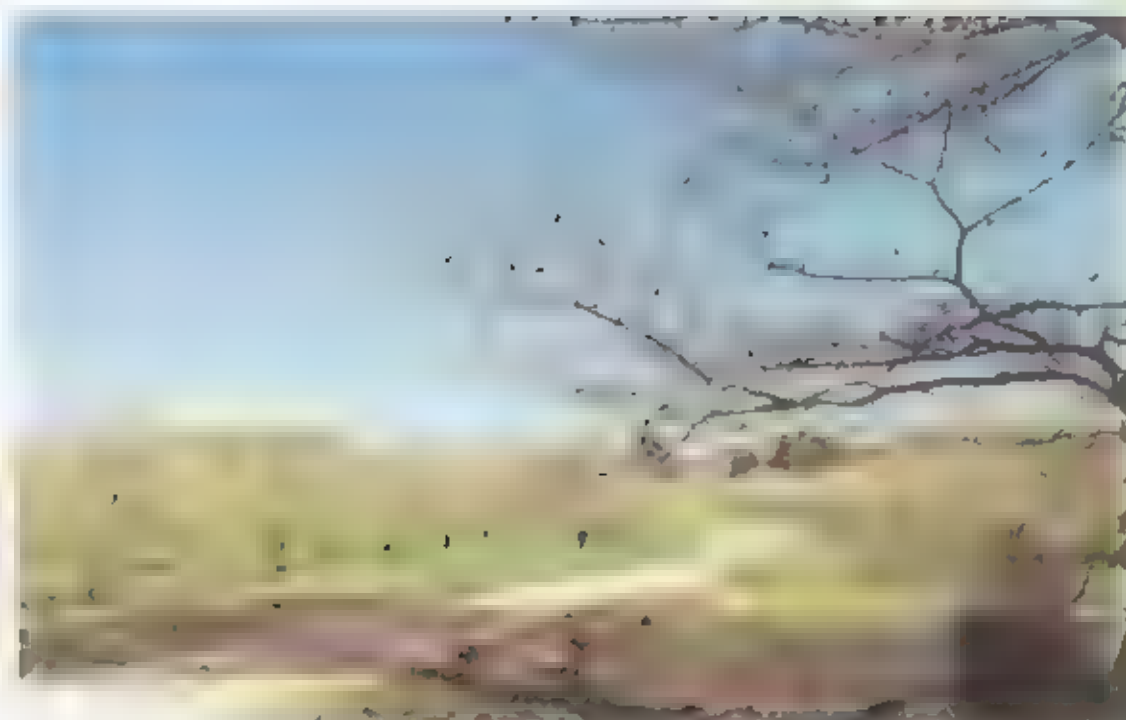

Wake up to
find out
That you are
the eyes of the
world —

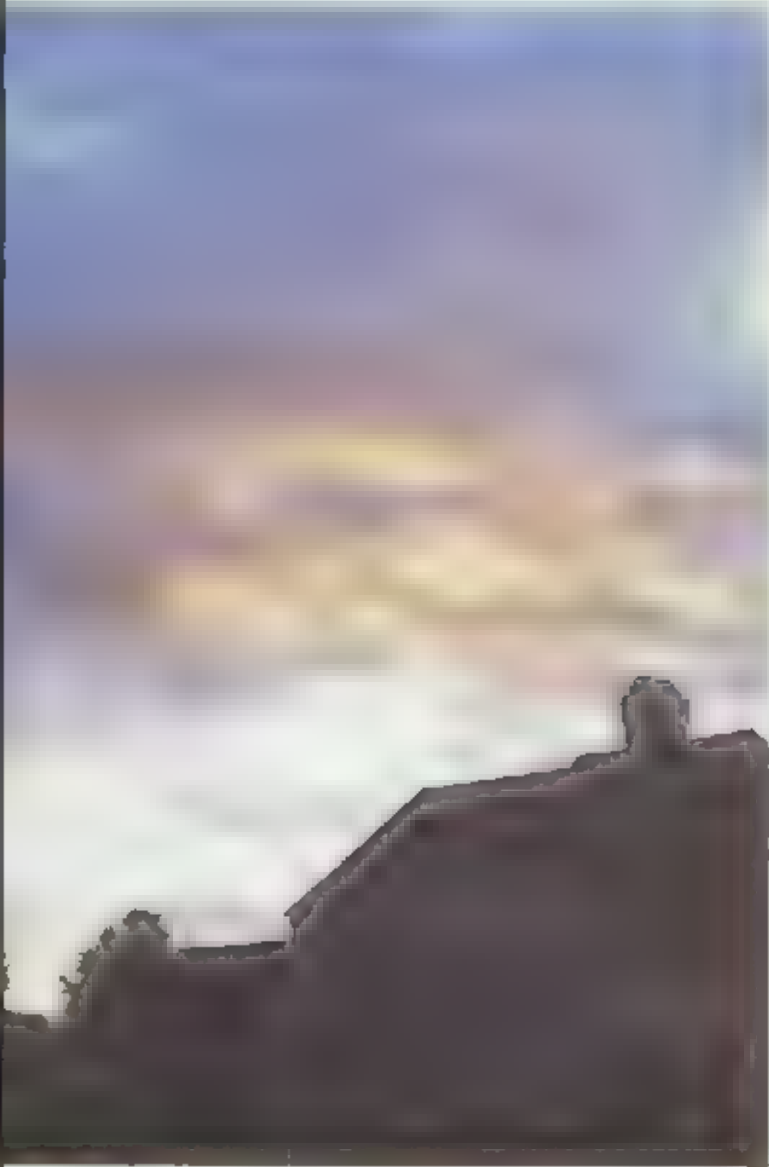

Each moment has its own beauty;
it beholds every hour a
picture which was never
seen before and which
shall never be seen
again.

— Ralph Waldo Emerson

I wander far
And unrestrained
Myself set free
My fields regained . . .

... When in the Spring,
The South winds sing,
And I by birds
Am entertained.

— John Alden
Carpenter

I look to the sea
Reflections in the waves
Spark my memory. —
Some happy, some sad —
I think of childhood friends
And the dreams we had —

DEDICATION

This book is dedicated to John Waterhouse. We first met him at Gideon Welles and he followed us to HS, arriving in time to rescue us from an advisorless state. His compassion and leadership have been our support during the most important years of our lives.

In Memory of
GREGORY JOHN PAGLIUGH

October 28, 1967

November 5, 1985

Tuesday's gone with the wind,
Wednesday's gone with the wind,
Now I feel the wind blow outside my door,
Means I'm leaving my woman behind.

Tuesday's gone with the wind,
My baby's gone with the wind.

And I don't know where to go,
I want to be left alone
Well, when this train ends I'll try again.
But I'm leaving my woman at home.

Tuesday's gone with the wind,
Tuesday's gone with the wind,
Tuesday's gone with the wind,
My baby's gone with the wind,
My baby's gone with the wind.

Tuesday's gone with the wind,
Tuesday's gone with the wind,
Tuesday's gone with the wind,
But somehow I'll carry on.

SPORTS

The Girl's Soccer Team ended up with a record of 7-8-2. Unfortunately, the team was plagued by injuries and bad luck on the field this year. Pat DiNeno, one of our key players, was out for the season with a knee injury. But, all in all the team had fun and played pretty well even though the record doesn't show it. All CCC Conference Awards went to Lauren Fresk and Alexia Ulbinsky. Lauren and Alexia were also recognized as *Honorable Mention All State Players*. *Most Improved* went to Audrey Wittemann, *The Coaches Award* went to Alexia Ulbinsky, and Pat DiNeno received the *Hartwell Award*.

1st Row: Alexia Ulbinsky (Capt.), Pat DiNeno (Capt.), Angela Baston, Kathleen Caron, Laurie Parent, Lauren Fresk, Kathy Kristin Manikas. 3rd Row: John Mukahy (coach), Rhea Emmanuel, Pam Puskowski, Annette Corey, Leah Carty, Audrey Wittemann, Erin Healy, Kristin Murphy

SOCCER

The boys' soccer team had another successful season, finishing with a record of 12-3-5. They lost a well played game in the state semi-final. The team also finished second in the CCC West division. Scoring was a problem all year for the Tomahawks (they played 6 overtime games), but they surprised everyone in the state tournament. Coach Mehler will lose six starting seniors; nevertheless, with a group of seasoned players and Glastonbury hustle, the team should do even better next year.

1st Row: Doug Taylor (capt.), Paul Swanson (capt.), Chris Vaughn, James Quigley, Tim Novak, James Czupiga, Kevin Miler, Brian Cleary, Mark Golden. 2nd Row: Peter Walsh (capt.), Matt Couper, Tim O'Grady, Richard Lynch, Lou DeLoreto, Chris Wright, Greg Canavan, Ray Handle, Martin Bettsworth, Jody Salin. Soccer

Led by Captains Rich Bowman, Chris Heaney and Seth Jacoby, the Tomahawks completed their second straight, undefeated regular season with an 11-0 record. The Tomahawks proved superior over their opponents by capturing their 2nd consecutive Central Connecticut Conference Championship. The team headed into the State LL Championship game riding a 23 game winning streak, however it fell short in the final game, losing to Trumbull 27-21 in overtime. The Tomahawks finished the season by being ranked 4th in the state and all were proud of the time as they once again proved their ability to play championship football.

The Glastonbury Field Hockey team didn't do as well as they would have liked finishing with a record of 1-7-3. Led by Co-Captains Melissa Kelly and Amy Stepnowski, the team did, however, play a very competitive game of field hockey. They registered zero ties with both Simsbury and Windsor who were the league champions. Next year's team has tremendous potential with 3 returning juniors and returning sophomores.

TRACK

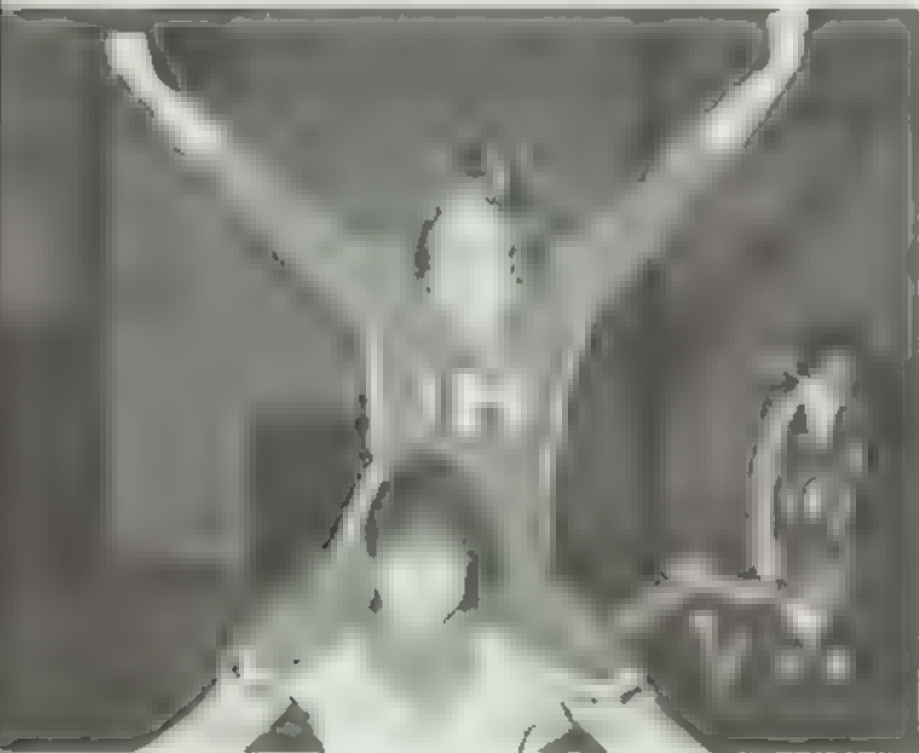

This year's squad of twelve enthusiastic and energized girls consisted of just four seniors and was probably the most active squad ever. Not only did they cheer for football and soccer as traditionally done, but this year for all fall sports teams. The girls' never-ending spirit allowed their time off the field to be put into decorating locker rooms, fields, and cars. Our Teacher of the Year

Deborah Gladding
Willard

... It is important to recognize that what is happening today is much more than an honor for one person. For what is being recognized today is the dedication of all teachers here in Glastonbury and throughout the state of Connecticut. And so, it is with them in mind that I accept this honor for their commitment to excellence in education.

And so my message to you is really rather simple.

Seek knowledge, for then you will gain wisdom and understanding.

Love yourself, for then you will gain the capacity to love others.

Use, develop your talents, for by then we all will be enriched.

It is that simple:

Seek truth, give love, serve others.

*We cannot discover new
oceans
unless we have the courage
to lose sight of the shore.*

We hope that within these pages you will find the photographs and words to help recapture the spirit of the year.

This book is your only permanent record of memorable year. Don't forget to use it again:

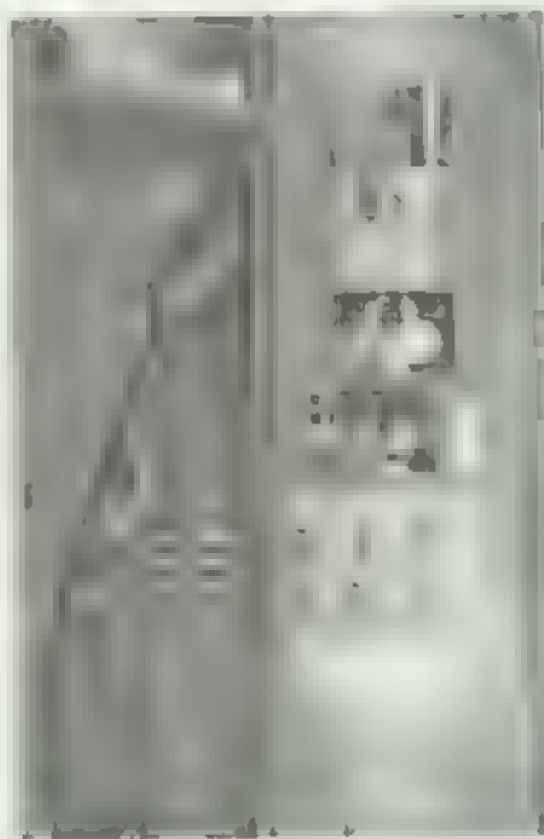

to remember a face, to recall a place, to relive a game, to remember a name.

Enjoy the memories — their value will increase with the passing years.

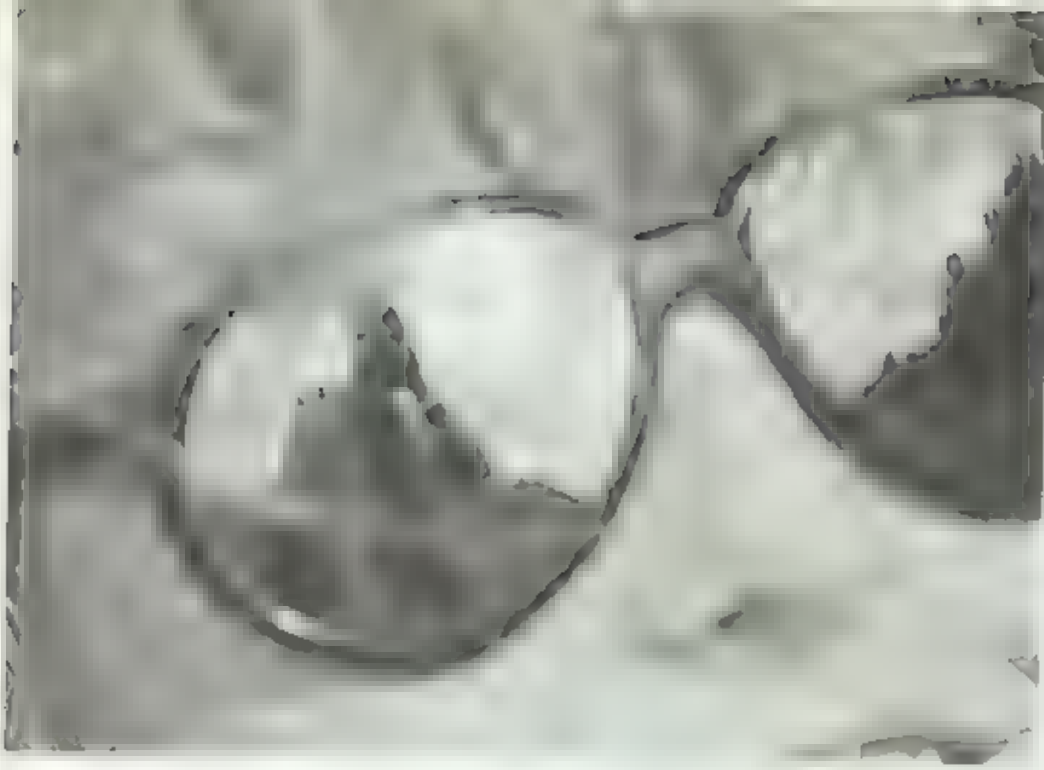

The Editors

Memories are
treasures locked
in our minds...
you only live
once,
but if you live
right,
once is enough.

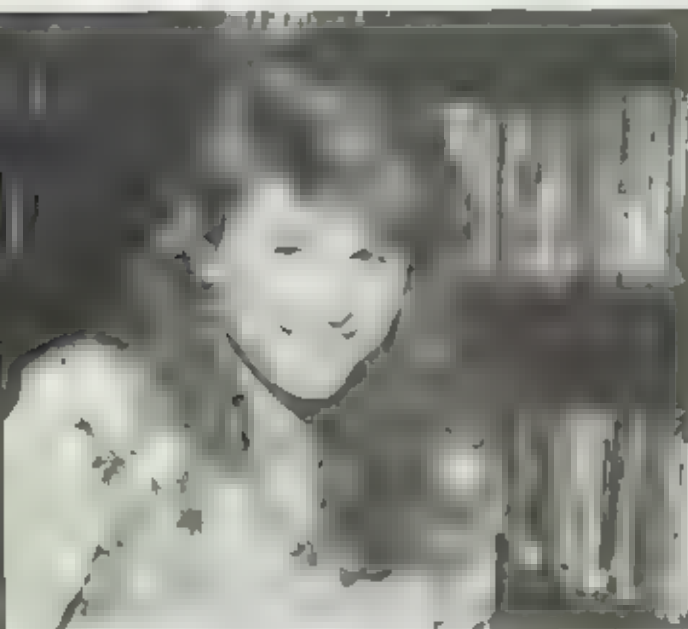

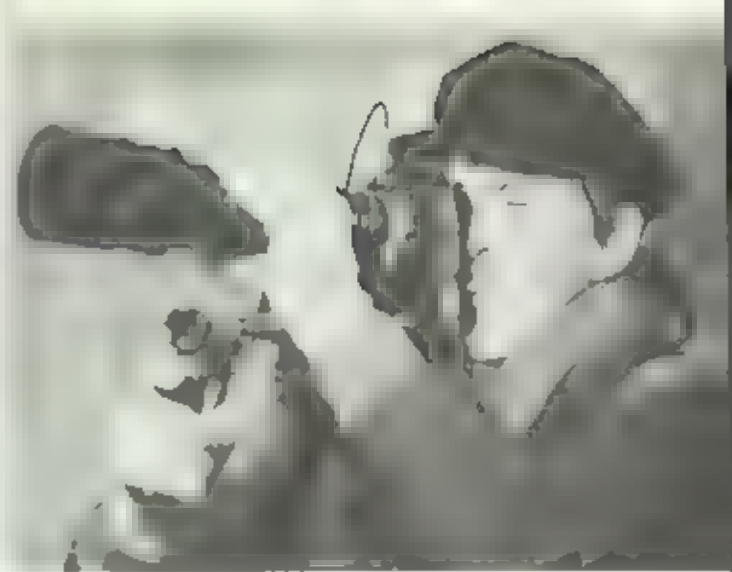

The determination in your heroic effort will permeate your mind and heart even after your success and failure is long forgotten.

After a while you learn the subtle difference between holding a hand and changing a soul, and you learn that love doesn't mean leaning, and company doesn't mean security.

You begin to understand that kisses aren't contracts and presents aren't promises. You begin to accept your defeats with your head held high and your eyes wide open.

You learn to build the roads on today because tomorrow's ground is too uncertain for plans, and futures have a way of falling down in mid-flight.

After a while you learn that even sunshine burns if you get too much. So, you plant your own garden and decorate your own soul instead of waiting for someone to bring you flowers.

And, you learn that you really can endure, that you really are strong and really have worth. And you learn, and you learn, with every good-bye you learn.
